Goldin Group's 20th Anniversary Gala Dinner Presents an Unforgettable Celebration

An evening of star-studded performances, with over 1,000 guests and Asia's most notable business elite taking to the red carpet to mark Goldin's milestone occasion

[26 September 2013, Hong Kong] – International conglomerate Goldin Real Estate Financial Holdings Limited brought together over 1,000 distinguished guests from all over the world to celebrate its 20th Anniversary, presenting a journey from consumer electronics into a distinct lifestyle portfolio, including luxury real estate development, fine wines, financial services and polo.

Held at the Hong Kong Convention and Exhibition Centre on Friday 20th September 2013, the event attracted some of Asia's most notable business elite and industry socialites. Distinguished names, such as Mr. Arnaud Barthélémy, Consul General of France in Hong Kong and Macau, His Excellency Mr. & Mrs. Gustavo A. Martino, Argentine Ambassador to the People's Republic of China and Mr. Michel Reybier, Chief Executive Officer of Peberinvest B.V., were aplenty among the attendee list.

The event programme was infused by the philosophy of the Group and the values that sit at the heart of its culture: Spirit, Strength, Innovation and Vision. While enjoying the lavish five-course gala dinner with wines masterfully paired by the Group's Senior Director of Wine, Jeannie Cho Lee MW, guests were treated to a plethora of exquisite entertainment by names such as Italian soprano group LE DIV4S, the China Disabled People's Performing Art Troupe, and internationally renowned violinist Vanessa-Mae.

"The event was an enormous success. We are so honoured to have shared such an important milestone with so many of our partners, investors, supporters and friends," said Mr. Pan Sutong, Chairman and Founder of Goldin Group. "In celebrating 20 years of passion, creativity and sheer hard work, we also look to an ambitious future. The 20th Anniversary Gala Dinner was the perfect way to reflect on what we've achieved so far, pay tribute to our many dedicated employees, and showcase our exciting plans ahead."

Mr. Pan Sutong always encourages the Group to look beyond what others may think is impossible – taking on new business opportunities that offer a wealth of possibilities and act as a platform for new ideas.
